

# Urbiva

Every city. Every possibility.

# Logo system

The Urbiva identity combines the six-petal mark with the Asimovian wordmark.
Always use the supplied master files. Never redraw, re-type or rebuild the logo.

# Files and usage

## Package structure

01_Logos: L01 to L24, one folder per variant
02_Editable_Masters: live-text SVGs (install Asimovian first)
03_Guidelines: this document
04_Overview: contact sheet of all variants
05_Source_Assets: Asimovian font + OFL licence, original icon

## File naming

URBIVA_[code]_[variant]_[width]x[height].[ext]
e.g. URBIVA_L03_Full-Logo-Midnight-Violet-BG_2400×600.png

## Which format?

SVG: web, UI and any scalable use (all text outlined)
PDF: print and design software (vector)
PNG: documents, slides, quick use (real alpha transparency)
WEBP: web delivery (lossless, with alpha)
ICO: website favicon (16/32/48)

## App icon & favicon

The app icon (L22) is supplied full-bleed and square;
iOS and Android apply their own corner mask.
The favicon (L23) carries its own rounded corners and
a slightly larger mark for small-size legibility.
The social icon (L24) keeps the mark inside the
circular crop used by most platforms.

## Typography

Wordmark & tagline: Asimovian Regular (SIL OFL 1.1).
The wordmark is always written “Urbiva”:
capital U, lowercase rbiva.
Tagline: “Every city. Every possibility.”
